

BBC Sparta Bertrange is very proud to announce that our U16 player Dorian Grosber will play for the German U19 Champion ALBA BERLIN next season. Dorian was offered a full scholarship by Alba Berlin and will play in the German U19 NBBL League.

Dorian played for Sparta since 2016, from the Poussins to the Cadets. Playing for Alba, who have a great reputation for their youth development program, is a huge step for Dorian.

The whole Sparta family wishes him all the best for the future and will follow his development with a lot of passion.

Dorian: "In Sparta, I learnt how to play basketball, I met many great people and friends and was supported in everything I wanted to do. I am very thankful for everything I could experience with Sparta over the last years."
